The Niagara University Student Government Association (NUSGA) has begun a student achievement award recognizing undergraduate students who display strength in the following areas: leadership, academia, and unique talents. Each month the NUSGA will determine an award recipient based on the following nomination form which can be completed by faculty, staff, and administrators. Once a student candidate has been placed into the nomination pool, they will remain eligible for each month's Achievement Award – this means a student must only be nominated once to be under consideration for each new award. More than one nomination per faculty, staff, or administrator is acceptable and welcomed. Please submit the following application to the Office of Campus Activities in Lower Level Gallagher by the 15<sup>th</sup> of each month.

Criteria:

1. Student demonstrates leadership in the classroom, on campus, or off campus.
