## Congratulations: NUSGA Achievement Award Recipient

Allison Schultz was named the first ever NUSGA Achievement Award Recipient for the month of February. She was nominated by Melissa Langridge who saw a deep commitment in Allison through her hard work and dedication to her heavy coursework as an English and History double-major, constant service and assistance toward fellow classmates who need research guidance, and her obvious display of Vincentian values and tradition as a Vincentian Scholar. Allison is a senior from Niagara Falls, NY who recently co-authored an article with Ms. Langridge which is currently under publication review.
