We are proud to have co-sponsored “Nightmare on Niagara Street” with the Campus Programming Board on the 31st! We are excited to ‘deck the halls’ this Christmas season with twice as much Christmas spirit than the last. Traditions will be sponsoring its annual Men’s Basketball Tailgate on November 22nd, details to follow! Cabinet would also like to take this opportunity to recognize and congratulate the newly elected Class of 2018 to the student government association.

We are proud of the successful unveiling of our DUI simulation event this past week! We hope you keep the lessons learned in your minds as you finish off your years on the ridge. We would also like to take a moment and say that we are proud to have represented the Class of 2017 at the Breast Cancer Walk in Buffalo last month. We are hoping to sponsor a sophomore night at one of the athletic events this semester with the goal of raising money for our Adopt-A-Family project.

We are proud to announce the temporary laptop/printer set up in O’Shea Hall! Printer usage will be monitored, then, based on collected data a decision will be made whether the service will continue. Our next campus improvement goal is to first update the basketball courts on the quad. Once the courts are redone, we will be holding a 3-on-3 basketball tournament to celebrate! Secondly, we hope to get furniture placed outside of Clet Hall for seasonal student use. In terms of events, we are planning an event for November 22nd, so keep the date free! We will also be sponsoring massage chairs during Relaxation Week at the end of the semester.

Thank you to all the seniors who attended our senior social events! We had a great time and hope you did, too. We are currently planning another senior social to be held at the end of this month—look out for details shortly! Finally, be sure to hand in your final deposits for the senior cruise in January. We are finalizing details on a trip to the NY Jets versus the Buffalo Bills game on November 23rd, be on the lookout for ticket sales!
The NUSGA had a meeting with Sodexo Dining Services and as a result, Clet Hall and the Gallagher Center has begun a new dining schedule!

The Gallagher Center has a full schedule available online at: niagaradining.com

The committee is in charge of planning the University’s major events such as UBAll, the Ridgefest Concert, and creating new Traditions such as “Nightmare on Niagara Street.”

Internal Review is a committee run by student government officers. In meetings, students address constitutional changes, budget rules, by-laws and any other document-based changes required to make the NUSGA run more effectively.
