Check Box to keep absence Private or Public	
Private <input type="checkbox"/>	Public <input type="checkbox"/>

Please note that submission of this form in no way excuses your absence -- it is simply a courtesy to the Legislative Body. In the event that enough absence forms are submitted and the NUSGA has insufficient number of members to hold a quorum, the meeting will be cancelled in advance. Furthermore, this form can be used as proof of consideration and legitimacy in the event of an impeachment.

In the case that you do not check a Private or Public box, your reason for absence will default to Public and be shared with the Legislative Body in the Agenda to ensure transparency.

In the space provided below, please explain your reason for the absence
